Narrative: Report of a disturbance at this location. RP states that she is arguing with her neighbor regarding harassing her 17 year old. Officers sent.

Narrative:

Spoke with all parties involved including Mary Alicea who advised that a latino male named "Loco" was making comments to her 17 year old daughter and was honking the horn at her. I never made contact with the daughter. Mary confronted the male "Loco" and an argument ensued. We made contact with "Loco" who attempted to elude us down at 31 Riverside Drive. The male gave me a verbal ID only of Jose Ortiz 06/28/08 living out of Springfield 629 Momenzey. Dispatch attempted to locate any information on the subject but nothing was found. It was obvious that he did not give his true identity. We had no crimes involved at the time. "Loco" advised that the young girl was "hitting" on him and he told her no way that she was too young. "Loco" appeared to be under the influence. Management was spoken too and Mary Alicea was advised of the situation. Mary was not pleased with the lack of enforcement. She was advised that no crimes were involved and even though "Loco" was apparently not giving his true identity that we could not force him. "Loco" was advised that he was trespassed from the property.

Narrative:

Walk-in would like to speak with an officer in regard to a 209a as well as a probate court issue.

Narrative:

Spoke with walk-in Thomas Wozniak. Same reported that he is defendant in 209A Order, plaintiff being Aracelis Sanchez-Wozniak. In the order and attached affidavit, it stated that he is only to have children on this date (third weekend of the month) until Saturday at 3:00pm. He stated that plaintiff has not arrived to pick up children. I contacted plaintiff (Sanchez-Wozniak) by telephone. She reported that he is to have children on both the first and third weekend of month until Sunday at indicated time(s). She indicated that court did not change the affidavit. Walk-in feels as though plaintiff is modifying dates/times on her own in order to be able to have his arrested in violation of the order, indicating she has done this in the past on numerous occasions. I advised same that call to plaintiff would be documented and to have any other law enforcement agency contact our department for this verification if needed. I also advised him to notify the court.
