 Post: AG1
 Arvd-16:05:08 Clrd-16:06:03
 Narrative:
 Regarding a phone call from a women named Jane who stated that a hazardous condition regarding the safety of children existed on Colrain Street. I checked Colrain street and found no condition described. I learned the women may be named Jane Butynski who called several days earlier complaining of corn on the side of the road on Colrain road endangering children walking to school.
 I found that on the East Side of Colrain Road approx one quarter mile from the Colrain Street intersection north bound that right up to the road edge Corn and grass leaving no room for pedestrians to get off of the paved surface. I believe this is the propert of Unaitis Farm.However there is no sidewalk here and the other side of the road does have space for pedestrians to walk.
 The call will be forwarded to the DPW to see if it is something that they can or SHOULD deal with at this time.
