Mrs BUTYNSKI and her neighbors reporting that they are having repeated problems with a Raymond Paul BRUNO/GALLO who resides directly across from the farm (Last house on east side before Nashes Mill). Call Taker: ACO LESLEE COLUCCI
 Location/Address: 321 HIGH ST
 Narrative:

FREDERIC Daniel called me at home in the evening wanting to know if his dog was at the pound stating he called twenty times and I never returned his calls. I returned his call around 7:30 pm and educated caller on state and town laws regarding dogs.

Daniel indicated that a dog sitter had cared for the dog around 7:30 am and when they came again at 3:00 pm the dog was gone, he stated that the door was not shut tight and the dog got out.

FREDERICK was not sure if dog "Elvis " was current on rabies or had a 2007 dog license because it was his mothers pet who was away at the time. FREDRICK stated he would check with his mother on these details. I told Dan what my office hours were and we could reach me at work the next day.

Dispatch informed me that she had a party on the phone that was attempting to get his dog back. Mr. FREDRICK was angry and verbally assaultive on the phone. He was yelling on the phone saying his girlfriend had been waiting for an hour to retrieve his mothers dog. FREDRICK stated he was going to call the mayor and complain.

My last conversation with Daniel the night before was he was going to figure out if his mothers dog was current and I explained to him if it was not I would meet him at a vet clinic with ELVIS. Nothing was mentioned about meeting him at the pound at 7:30 am.

Amy BRAMAN was at the pound when I arrived she had her cell phone on in her pocket with FREDRICK on the other line who continued to yell and swear as I was instructing her to get some identification on dog.

TBL violation # 2580 was issued for dog at large, dog license requirement, pick up fee and stay fee for a total of \$ 95.00. Violation was paid in cash by Amy BRAMAN 135 Poplar St.

Narrative:

Sibley reports that he had a firearm stolen from his vehicle and reported same to Officer Graves in the past. Today allegedly Tommy Santucci drove to Lillie Browns apartment on Pleasant St. where Sibley was also at and threw out a old holster to a firearm which does not match the one he had stolen. Brown overheard an alleged statement from Santucci after he threw out the holster that the holster was all he was getting back. Apparently a dispute between Brown and Santucci over money also exists. Santucci lives in Montague and Sgt. Dodge is aware of the situation. Sgt. Dodge apparently with consent search Santucci's vehicle with negative findings. Incident unfounded at this time. Spoke with Sgt. Dodge and Officer Graves.

Caller report homeless person struck her in the back while on Main St.

Narrative:

Checked area of downtown for suspect.

Narrative:

Jennifer Trovato reported that she was walking on Federal Street near the People's Pint when she was approached by a crazy looking woman who suddenly punched her in the back of her right shoulder. She then started chanting in an incoherent manner and walked across the street. She described her as a white woman, medium in height, with dirty blonde hair. She was wearing a dark denim jacket, blue pants and black shoes. She has seen her several times walking up and down the street yelling and talking to herself. She wanted to press criminal charges against her. We later located Nora Gregory. I tried to interview her but she refused to talk to me.
