Narrative:
Officer requested at this location. Male Caller states that there is male subject walking west on Main St with blood all over his face. Officers sent.
Narrative:
BHA on scene.
Narrative:
OFC 123 states that some blood droplets were located behind wilson's department store.
Narrative:
Call for a male party with facial injuries. Located an intoxicated Chad James walking down Main St. with facial trauma due to blunt trauma. The trauma was not consistent with a fall due to the angle of attacks. James reported two unknown males jumped him for approx. 200 dollars behind Wilson's Department Store. James would not or could not give a description of the males involved. BHA transported James to BFMC for treatment. Officer Trueswell and I located some droplets of blood behind Wilsons next to the concrete bench. We later proceeded to FMC to speak with James further. He stated that he had been drinking beer since 0800 hours in Turners at his house of 52 J Street and may have been kicked out by his wife. Came to Greenfield at an unknown time and went to the jungle area to drink, first stated by himself, then stated with others, then stated he new exactly who had kicked and punched and stole his money but then was unable to give any names or would not give any names. Stated he would take care of it himself. We left James contact information in case he requested follow up. See Officer Trueswell OF# for further information.

Narrative:

Observed the vehicle roll through the stop sign at Hope and Main. Operator was acting very nervous and asked that I follow her home as she didn't feel safe. The address on her license was out of Deerfield. I detected an odor of alcohol emanating from the vehicle so I asked her to step out. She demanded to see my ID, which I provided. HGN had several indicators so I began with remaining FSTs. She started the walk and turn before I even instructed her which test was next. I told her to wait and began the instruction phase. She stated that she was too nervous to do the test and demanded "Breathalyzer". I gave her a PBT. The result was .000. I had her get back in her car. As she was getting back in her car, her husband arrived on scene. She had her daughter call him when I refused to follow her home. Apparently, her daughter had called 911 during the stop as well. Issued a warning for 89/9.

Level 3 communications refered me to a website www.nationalpooling.com and told me to click on a link that I could not locate. I then called back level 3 communications who refered me to 1-720-888-6386 who stated that they have resold this number to another dealer and that they would send me a fax of the dealer as long as I sent a subpoena back in 24 hours to fax number #1-720-567-2689. Fax received and sent back within 2 minutes signed by me, and supervisor Lt. Gordon. Again waiting for fax giving phone number information.

Received a call back from Level 3 Communications who refered me to Google legal support at 1-650-253-3425 (fax 1-650-249-3429) or email legal-support@google.com. I called this number who stated to send them a fax and they would reply within 72 hours. There was also an option for an emergency which i chose and it had me leave a text message phone number which got me no response.

Narrative:

Emergency fax sent to above number requesting a call back ASAP.

Narrative:

Received a call back from Grand Central Communications (ED 1-650-253-4673) who stated that they will fax me a form to fill out and fax back to them so that they can re-fax the information. Waiting for a fax.

Narrative:

Received a call back from Ed who stated that several other police agencies this week had this same call and that it was a HOAX. He will still send emergency fax information to me to be sure.
